

# Health & Wellness Setup / Interactions:

cursor ideas

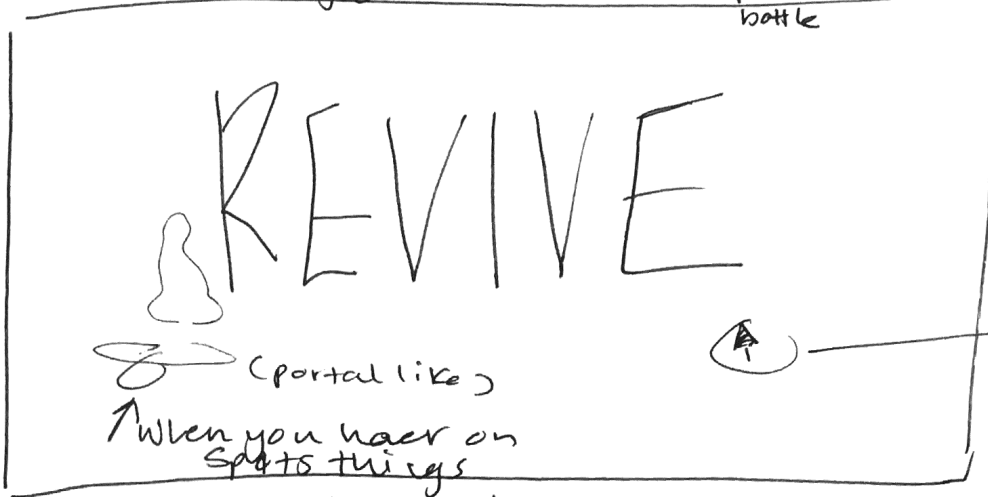

(every time you click it tips).

①

TITLE PAGE

opens up to Title Animation / sequence

(portal like)  
When you hover on spots things emerge taking you somewhere else.

cursor should be a shape / symbol.

②

FOOD DESCRIPTION

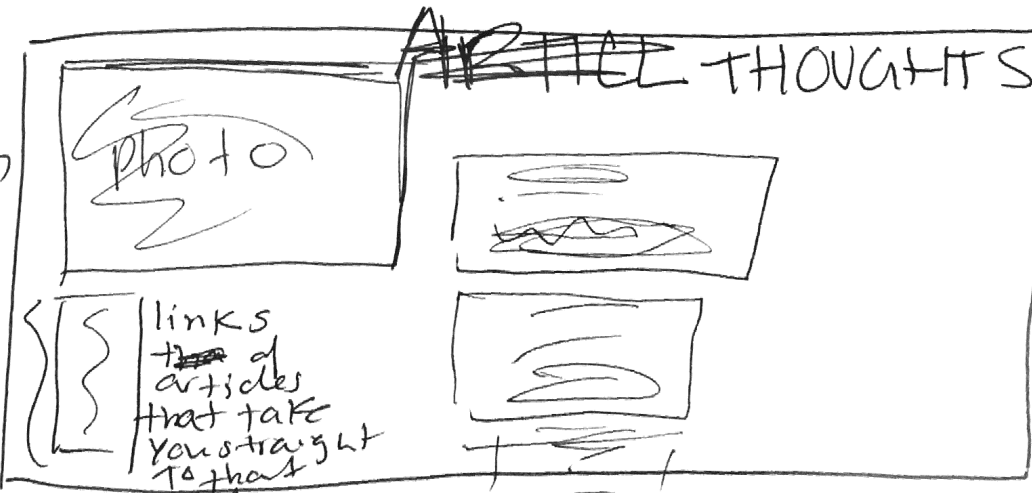

you drag to place things in hand

hand stays in place and as you scroll things go in the hand & you get explanations or benefits of food

③

ARTICLES

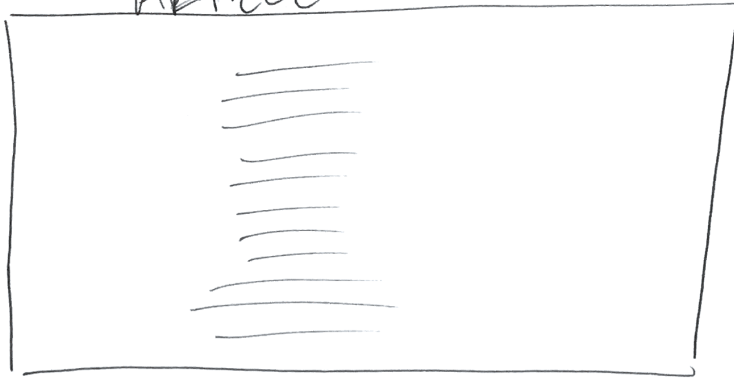

page scroll is very smooth and gradual.

links to articles that take you straight to that specific Article.

(3)

names  
of  
articles

ARTICLE

→  
you  
click  
Coconut  
~~three~~  
6 times  
it cracks  
you  
read  
article.

REVIVE
